PVR recording

Never miss a moment again! Our PVR recording function allows you to record your favourite programmes and then play them back at your convenience. Timeshift lets you enjoy TV entertainment on your own terms by pausing, rewinding and fast-forwarding whenever you want.

Focus on the display (panel)

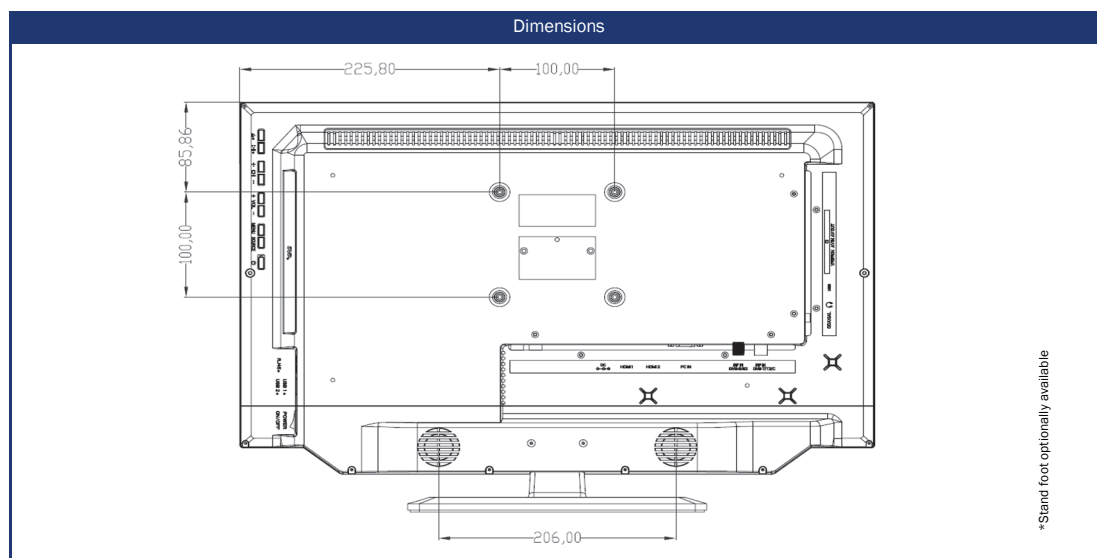

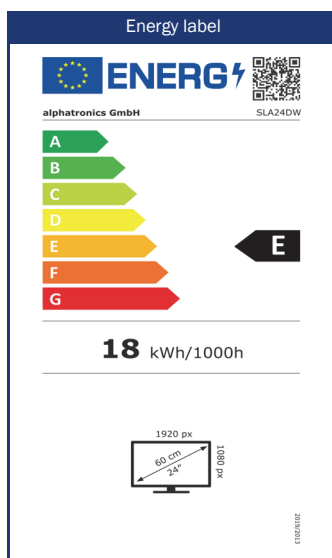

Experience our displays in the highest quality. With impressive features such as a wide angle of 178° horizontally and vertically, pixel error class 0 (no pixel errors allowed) and a matt surface, we always guarantee you a flawless image, no matter what the conditions.
