ACCESSOIRES	Remote control, DVB-T antenna AN5, power supply, YbPR adapter, AV adapter, Vehicle 12 volt cables, batteries, operating instructions	

*Streaming services can change without notice or be discontinued by the provider. Streaming service availability varies by region.

OTA (OVER THE AIR - Update): Helps you to keep your alphatronics TV always up to date with the latest software.

netrange - one of the world's largest SMART TV Portals: Over 1000 apps, over 2500 linear TV Channels, over 200 games available in over 100 countries.

Bluetooth 5.0 - While the data transfer rate is two times higher and the establishment of the connection is faster, the energy consumption is reduced to a minium (low energy), despite a connection range of up to 200 meters. Your alphatronics TV can send an audio signal via Bluetooth and play the music from the smartphone.
