Complaint

Product name: _____

Serial number: _____
To be found on the silver label on the back of the product. (PAxxxxxx)

Purchase date: _____

Selling point: _____

Error Description:

Pay attention to a precise and detailed description of the error. Information such as "defective" is not sufficient and can slow down the service process considerably.

Reception errors via Satellite:

Type of dish (brand, size) _____

Date of construction _____

Last update of the dish _____

Date of installation _____

Has the dish been repaired before? Yes No

Reception error via DVB-T operation:

Receiving antenna (brand, name) _____

Antenna position (roof, window, etc.) _____

Information about your vehicle:

Manufacturer _____

Year of construction _____
