

**CLASSIC LINE**

#### Note on the data sheet

This data sheet is based on the original document and has been adapted to the current alphantronics data sheet format. This ensures a consistent presentation and makes it easier to compare products within the range.

#### Perfect picture

Enjoy the highest picture quality with an ultra-wide 178° viewing angle, pixel error class 0 and a matt, glare-free surface. Whether in sunlight or shade, you can always enjoy a flawless, brilliant TV picture for perfect viewing pleasure.

#### Experience that convinces

Every alphantronics TV embodies 25 years of experience and innovative strength. With the 'German Quality - Since 1999' seal, our devices stand for exceptional reliability, state-of-the-art technology and the highest quality standards - entertainment you can trust.

#### Built for extremes

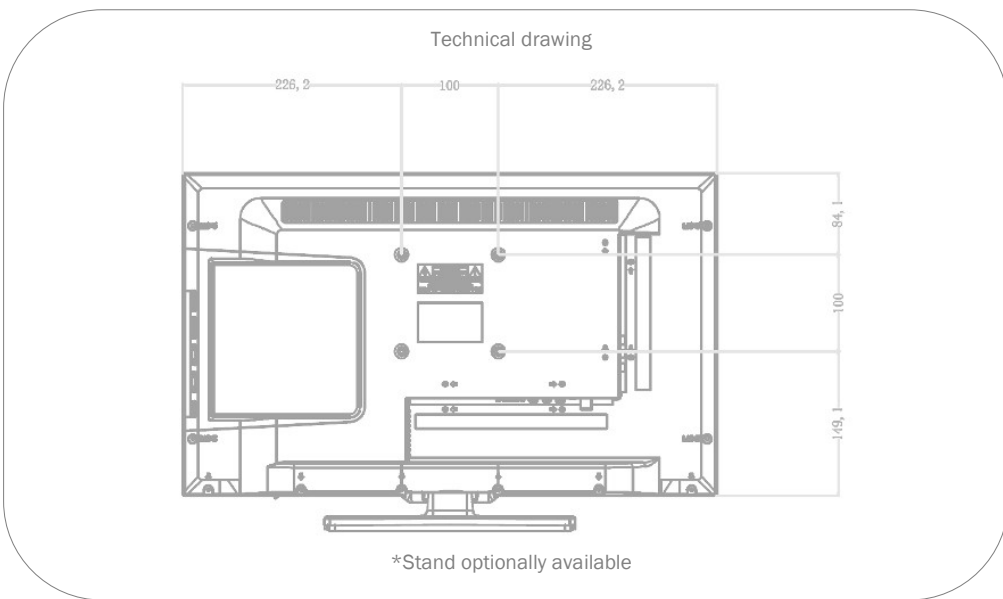

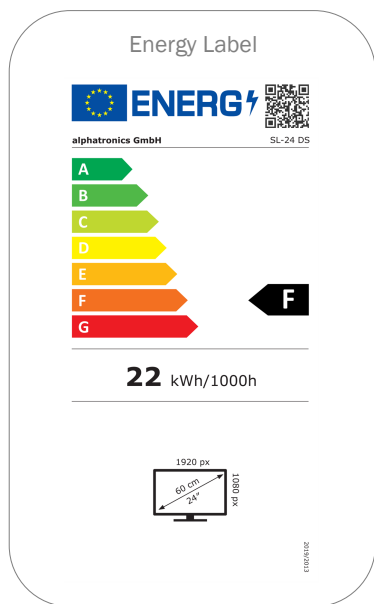

alphantronics TVs are made for every extreme: rigorous vibration and climate testing guarantees reliable performance in the freezing cold of the North Cape or the scorching heat of the desert. So you can enjoy perfect performance at all times - anywhere and under any conditions.

MODEL	SL-24 DS
