Sound that inspires

The SLA line sets new standards in sound: the integrated soundbar with front-facing speakers delivers rich, clear sound. Experience films, series and music with impressive depth, precision and brilliance - for an intense listening experience.

New platform

webOS Hub is the new powerful operating system for our televisions: a clear user interface, fast response times and versatile functions ensure maximum convenience. Thanks to intuitive navigation and flexible customisation, you can experience modern TV entertainment at the highest level.

Smart control via app

Control your alphantronics TV conveniently with the LG ThinQ app. Use the virtual remote control directly on your smartphone and transfer images or videos wirelessly in the best quality. For maximum flexibility, intuitive operation and a modern user experience.

Content Store

With webOS Hub, discover the new content store with perfectly optimised apps in the best resolution. Regular updates ensure stability and innovation. Netflix, Amazon Prime Video and Disney+ are directly integrated - for unlimited streaming enjoyment.

DVD enjoyment anytime

Elegantly integrated slide-in DVD player: play films, series and music directly - without any external devices. Built into the housing to save space, discreet in design and ready for use at any time. Ideal for flexible entertainment enjoyment on the go.

Perfect picture

Enjoy the highest picture quality with an ultra-wide 178° viewing angle, pixel error class 0 and a matt, glare-free surface. Whether in sunlight or shade, you can always enjoy a flawless, brilliant TV picture for perfect viewing pleasure.

Experience that convinces

Every alphatronics TV embodies 25 years of experience and innovative strength. With the 'German Quality - Since 1999' seal, our devices stand for exceptional reliability, state-of-the-art technology and the highest quality standards - entertainment you can trust.

Built for extremes

alphatronics TVs are made for every extreme: rigorous vibration and climate testing guarantees reliable performance in the freezing cold of the North Cape or the scorching heat of the desert. So you can enjoy perfect performance at all times - anywhere and under any conditions.
