Design redefined

With the relaunch of the SLA line, we are setting new standards: an elegant aluminium front panel and virtually frameless design ensure modern, luxurious elegance. The highlight is the forward-facing soundbar - for impressive sound and exclusive lightness.

DVD enjoyment anytime

Elegantly integrated slide-in DVD player: play films, series and music directly - without any external devices. Built into the housing to save space, discreet in design and ready for use at any time. Ideal for flexible entertainment enjoyment on the go.

webOS Hub (next generation)

Experience television in a whole new way - with the latest generation of webOS Hub. Enjoy smart premium features such as PVR recording, timeshift, Apple AirPlay 2 and Matter support. State-of-the-art entertainment, perfectly connected - in outstanding alphatronics quality.

Apple AirPlay & HomeKit

With alphatronics, you can unleash the full potential of your Apple ecosystem. Stream content in the best quality with Apple AirPlay 2 and conveniently control your smart home via Apple HomeKit. For maximum comfort and first-class entertainment.

Television on your schedule

With PVR recording and timeshift, you can enjoy maximum freedom: save your favourite programmes, pause live TV, rewind or fast forward. This allows you to enjoy television flexibly, conveniently and entirely according to your wishes - ready whenever you are.

Perfect picture

Enjoy the highest picture quality with an ultra-wide 178° viewing angle, pixel error class 0 and a matt, glare-free surface. Whether in sunlight or shade, you can always enjoy a flawless, brilliant TV picture for perfect viewing pleasure.

Experience that convinces

Every alphatronics TV embodies 25 years of experience and innovative strength. With the 'German Quality - Since 1999' seal, our devices stand for exceptional reliability, state-of-the-art technology and the highest quality standards - entertainment you can trust.

Built for extremes

alphatronics TVs are made for every extreme: rigorous vibration and climate testing guarantees reliable performance in the freezing cold of the North Cape or the scorching heat of the desert. So you can enjoy perfect performance at all times - anywhere and under any conditions.
