4K entertainment on the go

Experience entertainment on the go in brilliant 4K UHD resolution (3840×2160). The exclusive alphatronics special model impresses with razor-sharp images, a 178° wide angle and a responsive panel – for first-class picture quality in your motorhome, caravan or on your yacht.

webOS 22

Maximum entertainment with webOS 22: enjoy smart premium features such as PVR recording, timeshift and Apple AirPlay 2 – complemented by access to all relevant streaming providers.

Apple AirPlay & HomeKit

With alphatronics, you can unleash the full potential of your Apple ecosystem. Stream content in the best quality with Apple AirPlay 2 and conveniently control your smart home via Apple HomeKit. For maximum comfort and first-class entertainment.

Television on your schedule

With PVR recording and timeshift, you can enjoy maximum freedom: save your favourite programmes, pause live TV, rewind or fast forward. This allows you to enjoy television flexibly, conveniently and entirely according to your wishes – ready whenever you are.

Perfect picture

Enjoy the highest picture quality with an ultra-wide 178° viewing angle, pixel error class 0 and a reflection-reducing surface. Whether in sunlight or shade, experience a brilliant, flawless television picture for first-class enjoyment at all times.

Experience that convinces

Every alphatronics TV embodies 25 years of experience and innovative strength. With the 'German Quality - Since 1999' seal, our devices stand for exceptional reliability, state-of-the-art technology and the highest quality standards - entertainment you can trust.

Built for extremes

alphatronics TVs are made for every extreme: rigorous vibration and climate testing guarantees reliable performance in the freezing cold of the North Cape or the scorching heat of the desert. So you can enjoy perfect performance at all times - anywhere and under any conditions.
